

## PRODUCT TECHNICAL STATEMENT

**Product Description** saveBOARD Paperfaced is a semi vapour permeable structural composite panel made from 99% recycled materials.

The core of the product is made from shredded and compressed composite packaging and soft plastics.

saveBOARD does not use glues, resins or other such biological or environmentally harmful products during manufacture. saveBOARD does not create harmful dust, vapours, or other potentially harmful Volatile Organic Compounds (VOC's) during installation or in-service use.

Paperfaced is finished recycled paper face and back<sup>1</sup>.

Paperfaced is manufactured in New Zealand for exclusive use in New Zealand & Australia.

Please refer to Codemark Certification CMNZ70148 for compliance with relevant performance clauses of New Zealand & Australian Building Codes/Permits.

Panel sizes are as follows:

- 2400 mm x 1200 mm x 10 mm
- 2700 mm x 1200 mm x 10 mm
- 3000 mm x 1200 mm x 10 mm

Custom cut length between 2400-3000mm available.

For use as an internal wall or ceiling lining and structural bracing when installed in accordance with the saveBOARD Installation Guide.

### Scope of Use

Paperfaced can be used as a substrate or plastered and painted.

For use as an internal wall or ceiling lining in residential or commercial applications.

High impact resistance.

For use up to and including Extra High wind zones and in specific engineering design projects.

Designed for use on a timber frame

### Warranty

15 years

### Limitations / Disclaimer

Not suitable in wet areas.

For internal use only.

Wind Zone up to and including Extra High or to Specific Engineered Design (S.E.D)

When being stored, must be protected from moisture as per saveBOARD Storage and Handling Instructions.

<p><b>Compliance with the New Zealand Building Code</b></p>	<p>saveBOARD Paperfaced when specified as an internal wall lining and installed in accordance with the Paperfaced Installation Guide, contributes to meeting the following provisions of the NZ Building Code:</p>
---	--

**B1 Structure**

**Clause B1 Structure: Performance**

Performance Clauses B1.3.1, B1.3.1, B1.3.2, B1.3.3(b, f, h, j), B1.3.4

saveBOARD Paperfaced has demonstrated appropriate structural properties through testing and comparison with Acceptable Solution B1/AS1 and referenced standard NZS3604:2011

Refer to Codemark Certification CMNZ70148 for supporting documentation

**B2 Durability**

**Clause B2 Durability:**

Performance Clauses B2.3.1(a), B2:3.2

saveBOARD Paperfaced has demonstrated appropriate Durability properties by testing and comparison with Verification Method B2/VM1

Paperfaced achieves NZBC B2 Durability requirements as part of a combined system reliant upon other building products.

Refer to Codemark Certification CMNZ70148 for supporting documentation

**C3 Fire affecting areas beyond the fire source**

**Clause C3 Fire: affecting areas beyond the fire source**

Performance Clause C3.4(a)

saveBOARD Paperfaced C3 Compliance has been verified by testing and comparison with Acceptable Solutions C/AS1 and C/AS2

saveBOARD has been tested and independently verified as **Material Group Number 3** in accordance with AS/NZ 3837:1998.

Refer to Codemark Certification CMNZ70148 for supporting documentation

**E3 Internal moisture**

**Clause E3 Internal Moisture**

Performance Clauses E3.3.1 (contributes to), E3.3.4, E3.3.5

saveBOARD Paperfaced has demonstrated E3 Internal moisture compliance by testing and comparison with Acceptable Solution E3/AS1

Refer to Codemark Certification CMNZ70148 for supporting documentation

**F2 Hazardous building materials**

**Clause F2 Hazardous Building Materials:**

Performance Clause **F2.3.1**

saveBOARD Paperfaced meets the requirements of F2.3.1. by comparison with the performance requirements of the Building Code clause F2.3.1

Refer to Codemark Certification CMNZ70148 for supporting documentation

saveBOARD does not use glues, resins or other such biological or environmentally harmful products. During construction, or in-service use, saveBOARD does not create harmful dust, vapours, or other potentially harmful Volatile Organic Compounds (VOC's).

Paperfaced has A [DECLARE](#) label and as such, is approved for use in Living Building Challenge builds.

**H1 Energy efficiency**

**Clause H1 Energy Efficiency:**

Performance Clause H1.3.1 (b) (contributes to)

saveBOARD Paperfaced has demonstrated H1 Energy efficiency by comparison with Acceptable Solution E2/AS1

Refer to Codemark Certification CMNZ70148 for supporting documentation

saveBOARD betterBRACE Properties	
Thickness	10mm
Width, Standard	1200mm (1220mm special)
Length, Standard	2400mm
Pieces Per Pallet	35
Density, Nominal kg/m3	750
Density Nominal kg/m2	7.5
Fire- Resistance UL 790 – ASTM E108	Class A
Fire Group Number – AS3837	3
Mould Resistance – ASTM D3273	10
VOC Emissions - ASTM D5116	<0.003 mg/m2/hr
Formaldehyde Emission ASTM D5116	<0.013 mg/m2/hr

Permeability – ASTM E96	12.5
Fastener Pull-Resistance	525 lbf
Water Absorption (Immersion) % Max – ASTM C473	3.9
Water Absorption (Surface) % Max – ASTM C473	2.8
Acoustic ASTC34-3001	30Db

### Quality Assurance

saveBOARD's Quality Assurance process and records are independently audited by a third-party product appraisal organisation.

The Third-party organisation have demonstrated/accredited knowledge of the Building Code and building science, and carry out appropriate sample analysis and reporting on;

- Regular inspections, testing and monitoring of properties to ensure the product conforms during manufacturing.
- Periodic inspections, observations to ensure the product continues to meet the performance requirements when in use.

### Not Perfect

Paperfaced is made from 99% recycled composite packaging.

Air bubbles and creases may appear of the face or back of Paperfaced.

saveBOARD products have a dimensional tolerance of + / - 1mm and a weight tolerance of +/- 10%.

These characteristics do not affect the performance of the product in any way.

Further detail and instruction on how to address these characteristics can be found on the website [www.saveboard.nz/not\\_perfect](http://www.saveboard.nz/not_perfect) or in the installation guide.

### Sustainability

No raw materials are extracted to use in the manufacture of saveBOARD product. All saveBOARD product is manufactured in New Zealand or Australia from 99% locally sourced and recycled composite packaging and soft plastics

Every panel of Paperfaced will divert approximately 25kgs of waste from landfill

No water, glues, resins or additives are used in the production process.

The Embodied Energy (calculated Cradle to Gate) of Paperfaced is .85Mj/kg, 0.11kgCO2/kg material

Paperfaced has a [DECLARE](#) label and is deemed suitable for use in Living Building Challenge

Product Stewart Program- site off cuts can be returned to saveBOARD to be reused in the manufacture of new product

End of Life - saveBOARD product can be returned at End of Life to be reused in the manufacture of new product

VOC and formaldehyde free. No toxic or harmful dust or vapours are created during installation of saveBOARD products

saveBOARD is a member of the NZGBC

saveBOARD is Eco Choice Aotearoa Certified

saveBOARD will earn, or contribute to earning, Greenstar Credits and Homestar Points

**Installation Requirements**

saveBOARD Paperfaced when used as an internal wall or ceiling lining must be installed in accordance the NZBC saveBOARD Paperfaced Installation Guide or details provided by a Licensed Building Practitioner.

Check all sealants and adhesives are compatible with saveBOARD Paperfaced

**Installation information**

The installation guide can be found on the saveBOARD website [www.saveboard.nz](http://www.saveboard.nz) in written or video instructions

**Service Life**

saveBOARD Paperfaced will continue to satisfy the relevant performance requirements of the NZBC for 50 years if all the requirements set out in this Product Technical Statement and the specific design parameters of the project are met.

**Maintenance Requirements**

Paperfaced will not normally require maintenance as an internal wall or ceiling lining if installed as per the Installation Guide.

**Product Support**

All documents relating to compliance, case studies, specification, installation, maintenance and warranty can be found on the website [www.saveboard.nz](http://www.saveboard.nz)

saveBOARD has technical experts available to assist with any product enquiries. You can contact the team via the contact details on the website.
